CABLE PRO

Cable ProTM Advanced Cable ControlTM

Cable Pro™ Advanced Cable Control™

Cable Pro's Advanced Cable Control mounts directly to the back of your TV stand. Multiple cleats of different sizes and custom placement enable you to shorten, separate and route both single and bundled cables. Open, flexible design accommodates any cable diameter and when used in multiples, creates a system for routing cables through channels, between components and to power sources without the usual tangled mess or annoying signal interference.
